County School Notes

By PAUL JOSEPH KING.
Miss Hilda Gisi of Ste. Genevieve, has just closed a very successful term of school at the Jackson School near Kinsey. Miss Gisi did not apply for the position again as she has been elected to teach the fifth and sixth grades in the Ste. Genevieve School. Mr. J. R. Spitznagel of Cape Girardeau, Mo., has been elected to teach the Jackson School next year.

Mr. Valle V. Ditch who recently closed a term of school at Concord and withheld his application in favor of his father has just been elected to teach at Coffman the ensuing term at fifty-four dollars per month. This sounds good for Mr. Ditch but we wonder why they did not put on the other dollar. Mr. Ditch took the next train for Cape Girardeau where he will attend the Normal School this summer.

Mr. Ray R. Hicks who taught a successful term of school at Minnith is attending school at Cape Girardeau this summer. Mr. Hicks reports that he was well pleased with the Minnith school and thinks he will accept the appointment as teacher for another term at the same place.

Miss Maude Barber, the efficient teacher of the Sauer school for the last three years, has just closed her term of school and has been re-elected for another term. The school board of the Sauer school believes in rewarding good work by showing their appreciation in raising salaries and continuing the same teacher in the position.

The teacher and pupils of Little Vine school will give a picnic and social at the schoolhouse on Saturday evening of this week to raise some money with which to purchase some badly needed desks for the school. Everybody is invited to attend from four o'clock till ten

The County Superintendent of Schools is very busy this week looking over and approving enumeration lists and estimates from the various districts of the county. The enumeration lists and estimates must be sent to him for approval and then filed by him with the County Clerk on or before May 15th of each year.

This is a list of teachers reported as having been elected to teach in the schools in this county for the ensuing term revised up-to-date, but not official.

How Mrs. Harrod Got Rid of Her Stomach Trouble.

"I suffered with stomach trouble for years and tried everything I heard of, but the only relief I got was temporary until last spring I saw Chamberlain's Tablets advertised and procured a bottle of them at our drug store. I got immediate relief from that dreadful heaviness after eating and from pain in the stomach," writes Mrs. Linda Harrod, Fort Wayne, Ind. Obtainable everywhere.

Tells What She Thinks

Anna Hawn, Cedar Grove, Mo., writes: "We think Foley Cathartic Tablets are the best liver pill we ever got hold of, as they do not nauseate or gripe, but act freely on the liver." Recommended for constipation, bloating, sour stomach, gas on stomach, bad breath, clogged or irregular bowel action. Sold everywhere.

Jinks Barksdale of Slater is exhibiting to his friends the full dress coat worn by his ancestor, Capt. Jonathan Barksdale, at his wedding, Dec. 2, 1784. The coat is of blue broadcloth with gold-laid buttons, and a close examination shows, inside a pocket, the price tag indicating that the tailor received \$50 for making it.

Bottom Land For Sale

3,200 acres cut over bottom land in Butler County, Mo., 120 miles South-east of Ste. Genevieve. The owners are lumber men and they will sell any quantity from 40 acres up at \$25.00 per acre, one fourth cash and balance on time or all cash. This is the richest land in Missouri and is the greatest opportunity for the man that wants to buy a farm or the man that wants to make a gift edge investment. I have been over this land several times and I am convinced that this land can not be duplicated considering the quality of soil, price and location. For further information write to me or come and see me and I will go with you and show you the land.

Malt of all foods, is one of the most quickly turned by digestion into nourishment. The best of malt is used in making Budweiser. Hence its food value. Immaculate cleanliness in process and surroundings and perfect pasteurization of product and bottles make Budweiser a pure beverage. So—there's pure food and drink in

Another Ste. Genevieve Case

It Proves That There's a Way Out for Many Suffering Ste. Genevieve Folks.

Just another report of a case in Ste. Genevieve. Another typical case. Kidney ailments relieved in Ste. Genevieve with Don's Pills.

Mrs. George LaRose, Ste. Genevieve, says: "I was in misery with my back. I had a constant, bearing-down pain just over my kidneys and I could hardly drag myself around. I had dizzy spells and sharp pains in my head. Medicine had little effect until I got Don's Kidney Pills at Hinch & Douglas' Drug Store. They gave me wonderful relief. I have never had a bad attack since I used them."

Over Five Years Later, Mrs. LaRose said: "I can recommend Don's Kidney Pills more highly today than ever. I have been free from backache and kidney complaint for the last few years and haven't had to use a kidney medicine."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Don's Kidney Pills—the same that Mrs. LaRose has twice publicly recommended.

Many a man fails to hear the knock of opportunity because he is busy doing a little "knocking" on his own account.

She Told Her Neighbor
"I told a neighbor whose child had cramp about Foley's Honey and Tar," writes Mrs. Robkamp, 2404 Herman St., Lexington, Ky. "When she gave it a couple doses she was so pleased with the change she didn't know what to say." This reliable remedy helps coughs, croup and whooping cough. Sold everywhere.

Diplomats in Europe, although feeling strong resentment, meet and amicably talk. Soldiers in the trenches talk and then kill.

Was Troubled At Night
Painful, annoying bladder weakness usually indicates kidney trouble. So do backache, rheumatism, sore, swollen or stiff muscles or joints. Such symptoms have been relieved by Foley Kidney Pills. Henry Rudolph, Carmi, Ill., writes: "Since taking Foley Kidney Pills I sleep all night without getting up." Sold everywhere.

Joseph Peery, 50 years old, a farmer, living near Bonne Terre, committed suicide Tuesday April 25, by setting off 300 pounds of dynamite. His body was blown to pieces.

Keeping Up To The Mark
"Spring fever is not always a joke. If you feel dull and sluggish, tired and worn out, suffer from backache or weak back, rheumatism, sore muscles, stiff joints or other indications of kidney trouble, it will pay you to investigate Foley Kidney Pills. They are highly recommended as prompt and efficient aids to health. Sold everywhere.

C. C. O'Neal of The Advance-New Era was elected president of the Southeast Missouri Press Association, which closed a two days' session last Saturday. Eli D. Ake of the Iron County Register was elected vice-president and Harry Naeter of The Cape Girardeau Republican secretary and treasurer. The next annual meeting will be held at Farmington.

Fayette, Mo., feels the distinction of having once been the home of a former wife of the bandit, Villa. When a resident of Howard county she was the wife of a minister, who later died at Moberly. The widow then may be said to have begun a matrimonial career, she having twice married before she became the bandit's bride, only to be put aside later for a younger and prettier woman.

Whooping Cough.
"When my daughter had whooping cough she coughed so hard at one time that she had hemorrhage of the lungs. I was terribly alarmed about her condition. Seeing Chamberlain's Cough Remedy so highly recommended, I got her a bottle and it relieved the cough at once. Before she had finished two bottles of this remedy she was entirely well," writes Mrs. S. F. Grimes, Crooksville, Ohio. Obtainable everywhere.
